**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I've been a resident of Santa Rosa for over 4 years. We signed up with Comcast when we first moved in and watched our monthly bill rise and rise. When it passed \$200 per month for cable, internet, and phone, we looked into Sonic.

Our new friends sang sonic's praises, and it turned out that our home was within range of a high-speed internet hub, so we switched. We have Dish satellite, Sonic internet and phone, and even added DVR service.

The beautiful part is, we're saving \$50 or more a month.

If Comcast were the only option, and it IS a good company, I fear the price would have been even higher with no one other option available.

Please tell USTelecom they have to compete with the rest of the large and small internet providers, and depend on service to make a profit.

Thank you.
